

Compassionate CAREGIVER AWARD

Compassionate care comes from treating residents as complete individuals and by celebrating the bond that connects caregivers and residents.

AWARD GUIDELINES:

This year, the award is designed to recognize those individuals who in 2023 went above and beyond. Please consider any associates who displayed tireless dedication to residents, their families and each other. Any non-supervisory Benchmark associate who has direct contact with residents and/or families in any setting within our communities is eligible. Please contact your Executive Director if you are unsure of the associate’s full name, title, your community’s name, etc.

CANDIDATES SHOULD MEET THE FOLLOWING CRITERIA:

Models the values of personalized care and attention to the needs of the resident and family

Communicates with sensitivity to the resident/family and loved ones, listening carefully, showing sensitivity

Displays a positive attitude in all interactions

Respects the resident’s values, culture, choices and decisions

Has worked at the community for at least one year
