November 9, 2023

Mr. James Catton, Executive Director
The Branches of North Attleboro
40 Robert F. Toner Boulevard
North Attleboro, MA 02763

Dear Mr. Catton:

The Executive Office of Elder Affairs (EOEA) has completed the biennial compliance review of The Branches of North Attleboro (Residence) in response to your submission of an application for re-certification as an Assisted Living Residence as set forth in 651 CMR 12.03(4) et seq. Based on this review, EOEA has determined that all findings identified during the compliance review on September 19, 2023 have been sufficiently addressed through the submitted plan of correction and that the Residence meets all the requirements established in 651 CMR 12.00 et seq. to operate and maintain an Assisted Living Residence.

The enclosed certificate is valid for two years from the date of certification to operate and maintain a(n) 52-Unit Assisted Living Residence inclusive of one 14-Unit Special Care Residence(s). The certificate is valid until November 13, 2025. Please note the requirements established in 651 CMR 12.03(9) regarding posting of the certificate in the Residence and non-transferability of Certification.

If during the certification period EOEA determines documents submitted in compliance with the regulations require modification or supplementation, it will so notify the Residence and will include a deadline for provision of the information needed to retain certification. Also, if there are any material changes to the operating plan, you are required to notify EOEA at least 30 days prior to the effective date of changes. In addition, the financial disclosure form developed by EOEA must also be completed and submitted annually within 90 days following the end of the Assisted Living Residence's fiscal year.

If you have any questions regarding this matter, please contact me at 617-694-6218 or by email at tuyetni.ngo@mass.gov.

Sincerely,

Elizabeth C. Chen
