Ms. Deborah Foster, Executive Director
The Falls at Cordingly Dam
2300 Washington Street
Newton, MA 02462

Dear Ms. Foster,

As required for a transfer of ownership, The Falls at Cordingly Dam submitted an application for Certification on May 30, 2025 noting the pertinent information regarding the new Sponsor, KRE Husky Falls Licensee LLC. Enclosed please find the certificate to operate and maintain a 91-Unit Assisted Living Residence. The certificate reflects the change of ownership effective July 1, 2025 and is valid until March 11, 2027, the anniversary of the original date of Certification.

If during the certification period AGE determines documents submitted in compliance with the regulations require modification or supplementation, it will so notify the Residence and will include a deadline for provision of the information needed to retain certification.

Please note the requirements established in 651 CMR 12.03(9) regarding posting of the Certification in the Residence and non-transferability of the certificate. Also, if there will be any additional material changes to the operating plan, you are required to notify AGE at least 30 days prior to the effective date of change. If you have any questions regarding this matter, please contact Thomas Thompson directly at telephone (617) 573-1792.

Sincerely,

Robin M. Lipson
